Support the District 2 and San Andreas Community Plan Maps at the Board of Supervisors

March 19, 2013, 10:30 am.

The District 2 and San Andreas community plan maps have been included in the Draft 2 General Plan Map. This map will be reviewed by the Board of Supervisors at its study session on March 19. Come out and support the community map you helped to draw. Get there early, seating will be limited. It may take a long time to get to the public comment portion of the program, so you may want to bring a snack.

If you are from another part of Calaveras County, it is still important for you to contact your supervisor to support these community plan maps. It takes at least three supervisors to agree to get the job done. Our friends in District 2 and San Andreas are counting on you. One for all and all for one!

If you cannot make it to the meeting, send an email to all the Supervisors and to the Planning Department staff showing your support for these maps and thanking them for their efforts.

The email addresses are: cedson@co.calaveras.ca.us ; dspellman@co.calaveras.ca.us ; cwright@co.calaveras.ca.us ; dponte@co.calaveras.ca.us; merita9@comcast.net ; rwillis@co.calaveras.ca.us ; bgillarde@co.calaveras.ca.us
