

Testimony of **[Your Name]**

Regarding the Proposed Calaveras County General Plan and DEIR

July 31, 2018

- 1) My name is **[Your name here]**.
- 2) I live at **[Your Address]**. My family has lived here since **[Year]**
- 3) I make my living as a **[your occupation]**, and I do my very best at it.
- 4) My concern about the proposed general plan and FEIR is the way they address impacts to **[noise, traffic, etc.]**.

I am concerned about this impact because **[explain why]**.

5) (Optional) What you may not know about **[impact]** in our area of Calaveras County is that **[list the important facts]**.

6A) (If there is mitigation in the EIR) I request that the County adopt all the mitigation for this impact that is proposed in the Draft EIR. In addition, please adopt the following mitigation measures that I believe are needed to further reduce this significant impact: **[List]** (Optional) These feasible measures have been funded and implemented in **[Name]** County. Remember, an ounce of prevention is worth a pound of cure.

OR

6B) (If there is no mitigation in the EIR) Regardless of what the EIR says, in my view, this impact is significant and must be mitigated. Please adopt the following mitigation measures that I believe are needed to further reduce this significant impact: **[List]** (Optional) These feasible measures have been funded and implemented in **[Name]** County. Remember, an ounce of prevention is worth a pound of cure.

7) Calaveras County has many good points. One that I appreciate is that everybody I know does their very best at whatever it is they do. If the Planning Commission and the Board of Supervisors wants to approve a general plan with this impact, then I expect you to do your very best to reduce the impacts to a minimum. Don't put off until tomorrow what you can do today. Please take the time now to fix the plan, before you recommend its approval.

8) Please retain a copy of my comments for the administrative record.

9) Thank you and good night. (Hand in a hard copy)
