Community Foundation**

*Investing in Our Community*

The Calaveras Community Foundation is dedicated to improving Calaveras communities by providing grants to partner organizations, assisting donors, and providing leadership in addressing charitable causes.

Now in its seventeenth year, the Foundation looks firmly toward the future. The organization is still small but has become the largest, general purpose charitable organization in Calaveras County.

The Calaveras Community Foundation is proud to support "An Evening with Kathleen Kent" as part of the 14th Annual Gold Rush Writers Conference.
