

Suggested Title: Importance of Voting

With the March 2024 primary quickly approaching, the Community Action Project wants to remind Calaveras residents of the importance of voting. If you recently turned 18 years of age or recently moved, please take the time to register to vote. You can register to vote online or in person at the County office in San Andreas. More information about registering to vote, and the upcoming election can be found at vote411.org.

Two districts in Calaveras have Supervisors up for election this term. District 1 includes Circle XX, San Andreas, Valley Springs, Campo Seco, La Contenta, Camanche, Burson and Wallace. District 2 includes Mokelumne Hill, Paloma, West Point, Wilseyville, Glencoe/Rail Road Flat, Sheep Ranch, Mountain Ranch, and Calaveritas. Visit [calaverascap.com/election 2024](http://calaverascap.com/election2024) for more about the candidates.

Why should you care who sits on the Board of Supervisors (BOS)? The County Board of Supervisors makes decisions that impact your daily life. Their decisions about law enforcement, emergency response, and roads may improve your personal health and safety. Their decisions about budgets and taxation may help your finances. Their decisions about private range and forest lands may enhance the landscape that surrounds us. Your County Supervisor is an active member of your community, and the most direct representative you have. They are the most likely to pick up the phone or sit down with you to discuss your concerns.

Your right to vote is one of the most basic rights that the forefathers of this country ensured. Be proud of your ability to participate in the democratic process and be sure to vote in the March Primary election.
